

ENABLED LEARNING

Pedagogical tools have been shown to have incredible benefits for students, especially those with learning disabilities (Smith 2019)

Pedagogy:

Most commonly understood as the approach to teaching, is the theory and practice of learning, and how this process influences, and is influenced by, the social, political and psychological development of learners.

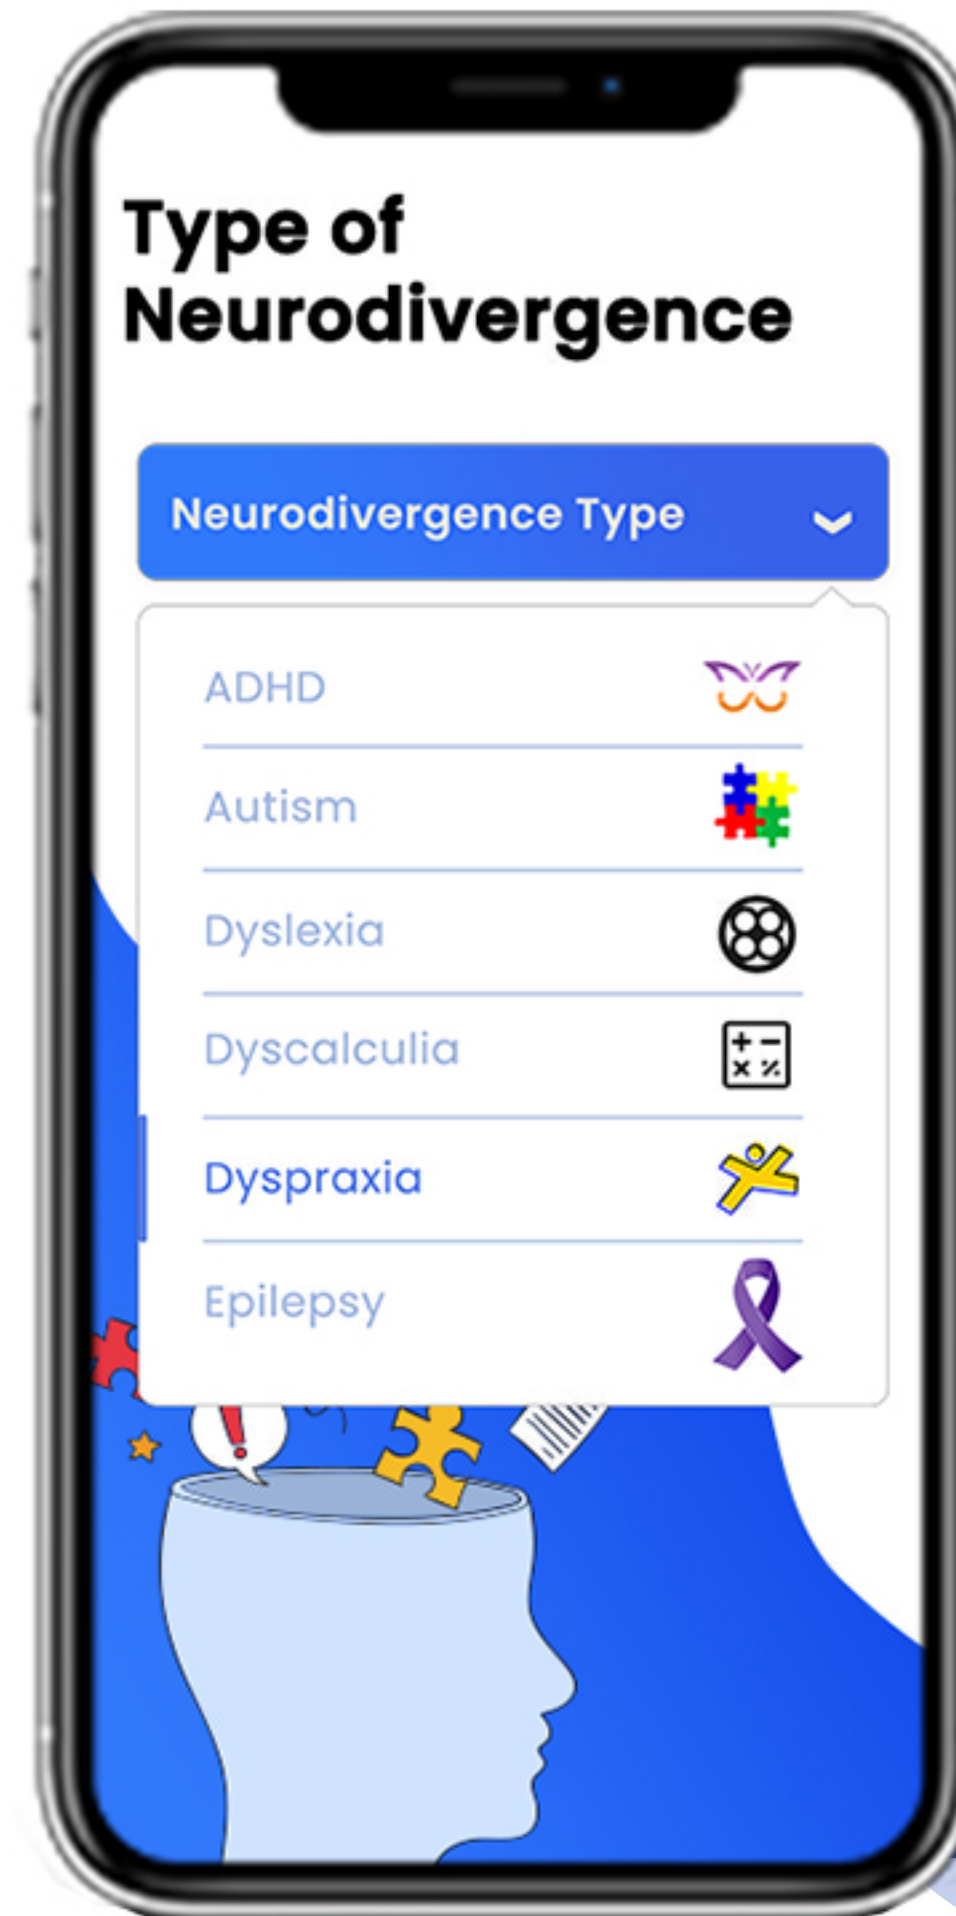

Old Generation:

- a Textbooks
- b Flashcards
- c Notecards
- d Lectures
- e Audiobooks

New Generation:

- a Board Games
- b Video Games
- c Music
- d 3D/Spatial learning
- e Media-Driven

To help students and educators find these materials, we have aggregated them into a mobile app called "Enabled Learning", which allows the user to locate resources specific to their conditions!
